Institute of the International Association for Research and Testing in the Field of Textile Ecology

The company

Topp Textil GmbH

Heubachstraße 4

87471 Durach, GERMANY

is granted authorisation according to Oeko-Tex® Standard 100 to use the Oeko-Tex® mark, based on our **test report S16-3577**

Tested for harmful substances
according to Oeko-Tex® Standard 100

S06-0311

HOHENSTEIN HTTI

for the following articles:

Selected waistband and broadwoven fabrics, as well as cutted tapes made of woven fabrics, knitted fabrics or nonwovens made of synthetic fibres (polyester, acetate, polyamide, acrylic, elastane), 100% cotton and/or cellulosic fibres as well as their blends in raw white, white and coloured, partly coated, as well as cutted tapes made of elastic polyurethane; exclusively produced from material certified according to Oeko-Tex® Standard 100.

The results of the inspection made according to Oeko-Tex® Standard 100, **product class II** have shown that the above mentioned goods meet the human-ecological requirements of the standard presently established for products with direct contact to skin.

The certified articles fulfil the requirements of Annex XVII of REACH (incl. the use of azo-dyes, nickel, etc.) as well as the American requirement regarding total content of lead in children's articles (CPSIA; with the exception of accessories made from glass).

The holder of the certificate, who has issued a conformity declaration according to ISO 17050-1, is under an obligation to use the Oeko-Tex® mark only in conjunction with products that conform with the sample initially tested. The conformity is verified by audits.

This authorisation is valid until 31.08.2017

Boennigheim, 01.09.2016
